Good afternoon, Finn Families-

I hope this email finds you and your loved ones healthy and acclimating to this ever-changing situation.

Per Governor Cuomo's new Executive Order Monday afternoon, the NYS school closure has been extended until April 29th. Given this closure extension, we will begin Phase 2 of our Continuity of Learning Plan. More information regarding the academic programming for this phase will be forthcoming.

To support families in engaging in this learning throughout the rest of closure, we have initiated a Laptop Loan Program. If your scholar requires a laptop, you may sign out a laptop following the below schedule:

Wednesday, April 8th from 8:00-11:00 am - Grades 5, 6 and 7

Friday, April 10th from 8:00-11:00 am - Grades 3 and 4

Monday, April 13th from 8:00-11:00 am - Grades K, 1, and 2

\*If picking up a laptop presents a hardship for your family at this time, please email [info@finnacademy.com](mailto:info@finnacademy.com) to request a delivery. Due to limited staff, and needing to take proper precautions, we will have limited delivery availability.

Our breakfast and lunch meal service/pick-up schedule will continue every Monday, Wednesday and Friday from 8:00-11:00 am.

Should you need childcare due to the extended closure, please contact your county's Child Care Resource & Referral agency (Chemung: 607-734-3941, Steuben/Schuyler: 607-776-2126 ext. 236), or [aimeeciarlo@finnacademy.com](mailto:aimeeciarlo@finnacademy.com).

Attached, please find a letter regarding G Suite for Education from our Chief Academic Officer, Jeremy Wheeler. Also attached, please find an invitation to participate in another live workout with Mr. Purifoy.

As always, please reach out with any questions or concerns; we know that families are doing their best to balance everything and help their scholars remain engaged and connected. We will continue to work through this stressful time together, as a crew.

Stay well.

Best,  
Aimee Ciarlo
