Dear Finn Families,

We are excited to announce the continuation of the after-school tutoring program. This year the tutoring program will be available to scholars in grades 2nd through 6th. This opportunity is being provided to us at no cost through a partnership with the Education Department at Elmira College. Tutoring will be primarily focused on literacy skills and will take place on **Monday's** from **3:30-4:15 pm** for grades **2nd through 6th** (beginning 9/28). The tutoring program will be supervised by Ryan Dunlap, one of our 3rd grade teachers and Elmira College Alumni. Links through Google Meet will be sent by your scholar's tutor prior to 9/28. That link will be used for every subsequent tutoring session for this term.

If you would like to sign your scholar up for this weekly tutoring program, please sign the attached form. By signing your scholar up, you agree to allow us to share with the Elmira College tutor academic strengths/academic needs, as well as agreeing for your scholar to participate in video conferencing with the Elmira College tutor. Information will not be shared outside of the tutoring program.

We look forward to strengthening our relationship and partnership with Elmira College, a valuable community organization. If you have any questions, please feel free to contact Aimee Ciarlo at aimeeciarlo@finnacademy.com or Ryan Dunlap at ryandunlap@finnacademy.com

Best,

Aimee Ciarlo
