

Finn Academy Penny War!

January 13th thru January 29th, 2021

Put your spare change toward a great cause. All proceeds from our Penny War fundraiser will go to support Finn Family Crew and a charity organization.

Pennies are “positive.” Here’s how it works:

- Containers are located outside each classroom for In-person Scholars and in the Main Office for Remote Scholars
- Each penny counts as one positive point for YOUR classroom
- Each silver coin counts as negative points for OTHER classrooms. In other words, dropping a quarter in another classroom’s bucket takes 25 points from their total
- At the end of the day on January 29th all bucket’s will be collected, and all change/points will be tallied the following week and the classroom with the most points will win a prize!

Start saving your change—it can make a big difference!

Penny War Rules

Points:

Adding (+)

1 penny = 1 point

Subtracting (-)

1 nickel = 5 points
1 dime = 10 points
1 quarter = 25 points

A graphic titled 'Penny War Rules' enclosed in a blue border. It lists the point values for different coins: 1 penny = 1 point (adding), 1 nickel = 5 points, 1 dime = 10 points, and 1 quarter = 25 points (subtracting). The graphic includes illustrations of two yellow pennies, a stack of three nickels, a stack of two dimes, and a stack of three quarters.
