Frequently Asked Questions:

Why is the uniform dress code changing?

Our dress code needed to be modified to ensure that it meets the most important purpose of a uniform: to create a uniform look amongst all scholars. We had many variations of colors, clothing items, and shoes, which were creating a very non-uniformed school environment. Revisiting this to modify it and clarify the dress code is important to our learning community.

Where can I purchase uniform items?

The biggest piece of feedback we received from families was in regard to where uniform items are purchased. You are welcome to purchase these items at any location of your choosing.

Why can't I purchase other polo colors?

With the choice of location for uniform items, we had to limit the colors of items. This ensures that we avoid shades of colors when items are purchased from different stores, which, as mentioned above, was the largest request from families.

Do the pants have to be dress pants?

Yes. Scholars must wear dress pants to adhere to our dress code policy. Cargo pants and jeans are not permitted.

Can my scholar still wear their old uniform items?

If the item is something on this list, then scholars are welcome to continue wearing them. If the color or item is no longer on this list, then it is no longer a uniform item at Finn Academy.

Do they have to wear a dress shirt?

Dress shirts are for special occasions. Scholars are welcome to wear dress shirts and ties on regular school days. They will be requested for special performances and presentations.

What can be worn under jumpers and skirts?

Another area that was becoming very non-uniform were tights and leggings. We are requesting that tights and leggings be all_black, or white, black and grey patterned tights and leggings. Leggings are only to be worn under skirts or jumpers. They should not be worn to replace pants or shorts.

Can my scholar wear scarves, hoodies, or jackets?

No. Only cardigans will be worn at Finn during school hours. Scarves are not included in the dress code.

Can my scholar wear long sleeve shirts under short sleeve polos?

Yes. The long sleeve shirts, and any other shirts worn under polos, must be black, white, or heather grey.

Can my scholar wear heels if they are rubber soled?

No. Scholars are not permitted to wear shoes with a heel.

Can my scholar wear boots?

No.

What will happen if my scholar does not wear the uniform?

If a scholar does not wear their uniform:

First Violation	Second Violation	Third Violation
A note home	A phone call and a request for the family to drop off the clothing item	A meeting with the family to discuss the uniform policy and any needs that the family may have
