- a. The people's right to know the process of government decision-making and the documents and statistics leading to determinations is basic to our society. Access to such information should not be thwarted by shrouding it with the cloak of secrecy or confidentiality.
- b. These regulations provide information concerning the procedures by which records may be obtained.
- c. Personnel shall furnish to the public the information and records required by the Freedom of Information Law, as well as records otherwise available by law.
- d. Any conflicts among laws governing public access to records shall be construed in favor of the widest possible availability of public records.

- a. The Finn Academy: An Elmira Charter School Board of Trustees is responsible for insuring compliance with the regulations herein, and designates the following person as records access officer:

Chief Operations Officer

610 Lake Street

Elmira, NY 14901

- b. The records access officer is responsible for insuring appropriate agency response to public requests for access to records. The designation of a records access officer shall not be construed to prohibit officials who have in the past been authorized to make records or

information available to the public from continuing to do so.

1. The records access officer shall insure that school personnel:
2. Maintain an up-to-date subject matter list.
3. Assist persons seeking records to identify the records sought, if necessary, and when appropriate, indicate the manner in which records are filed, retrieved or generated to assist persons in reasonably describing records.
4. Contact persons seeking records when a request is voluminous or when locating the records involves substantial effort, so that personnel may ascertain the nature of records of primary interest and attempt to reasonably reduce the volume of records requested.
5. Upon locating the records, take one of the following actions:
 - a. Make records available for inspection; or,
 - b. Deny access to the records in whole or in part and explain in writing the reasons therefor.

Records shall be available for public inspection and copying at:

These hours are: MONDAY-FRIDAY 8:00 AM TO 4:00 PM

(NOTE: Hours may vary when school is not in session. Please contact the school office for a schedule of breaks.)

SECTION 5: REQUESTS FOR PUBLIC ACCESS TO RECORDS

- (a) A written request may be required, but oral requests may be accepted when records are readily available.
- (b) If records are maintained on the internet, the requester shall be informed that the records are accessible via the internet and in printed form either on paper or other information storage medium.
- (c) A response shall be given within five business days of receipt of any request by:
 - (1) informing a person requesting records that the request or portion of the request does not reasonably describe the records sought, including direction, to the extent possible, that would enable that person to request records reasonably described;
 - (2) granting or denying access to records in whole or in part;
 - (3) acknowledging the receipt of a request in writing, including an approximate date when the request will be granted or denied in whole or in part, which shall be reasonable under the circumstances of the request and shall not be more than twenty business days after the date of the acknowledgement, providing a statement in writing indicating the reason for inability to grant the request within that time and a date certain, within a reasonable period under the circumstances of the request, when the request will be granted in whole or in part; or
 - (4) if the receipt of request was acknowledged in writing and included an approximate date when the request would be granted in whole or in part within twenty business days of such acknowledgment, but circumstances prevent disclosure within that time, providing a statement in writing within twenty business days of such acknowledgment specifying the reason for the inability to do so and a date certain, within a reasonable period under the circumstances of the request, when the request will be granted in whole or in part.
- (d) In determining a reasonable time granting or denying a request under the circumstances of a request, personnel shall consider the volume of a request, the ease or difficulty in locating, retrieving or generating records, the complexity of the request, the need to review records to determine the extent to which they must be disclosed, the number of requests received by the school, and similar factors that bear on the ability to grant access to records promptly and within a reasonable time.
- (e) A failure to comply with the time limitations described herein shall constitute a denial of a request that may be appealed. Such failure shall include situations in which an officer or employee:
 - (1) fails to grant access to the records sought, deny access in writing or acknowledge the receipt of a request within five business days of the receipt of a request;

- (2) acknowledges the receipt of a request within five business days but fails to furnish an approximate date when the request will be granted or denied in whole or in part;
- (3) furnishes an acknowledgment of the receipt of a request within five business days with an approximate date for granting or denying access in whole or in part that is unreasonable under the circumstances of the request;
- (4) fails to respond to a request within a reasonable time after the approximate date given or within twenty business days after the date of the acknowledgment of the receipt of a request;
- (5) determines to grant a request in whole or in part within twenty business days of the acknowledgment of the receipt of a request, but fails to do so, unless the school provides the reason for its inability to do so in writing and a date certain within which the request will be granted in whole or in part;
- (6) does not grant a request in whole or in part within twenty business days of the acknowledgment of the receipt of a request and fails to provide the reason in writing explaining the inability to do so and a date certain by which the request will be granted in whole or in part; or
- (7) responds to a request, stating that more than twenty business days is needed to grant or deny the request in whole or in part and provides a date certain within which that will be accomplished, but such date is unreasonable under the circumstances of the request.

- (t) A failure to determine an appeal within ten business days of its receipt by granting access to the records sought or fully explaining the reasons for further denial in writing shall constitute a denial of the appeal.

COMMITTEE ON OPEN GOVERNMENT
DEPARTMENT OF STATE
41 STATE STREET
ALBANY, NEW YORK 12231
