**Letter to Parents for School Meal Programs
Special Provision Options (Provision 2 Non-Base Year & Community Eligibility Provision)**

Dear Parent or Guardian:

We are pleased to inform you that Finn Academy will be continuing participation in the CEP program, a meal certification option available to schools participating in the National School Lunch and School Breakfast Programs for 2019-2020.

What does this mean for your child(ren) attending Finn Academy?

All students enrolled at Finn Academy are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2022-23 school year. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit an application. However we advise that you fill out the attached application in order to help your school gain additional grant services.

If you have any further questions, please contact us at 607-737-8040 or email at lianavone@finnacademy.com

Sincerely,

Lia Navone
